

Putnam Wellness is a coalition of concerned citizens and human service providers from across the county who are interested in substance abuse prevention, health and wellness for all Putnam Countians.

The Putnam Wellness Task Team grew out of both the SPF-SIG process and the Clean Indoor Air Act efforts as well as Youth Wellness activities in Putnam County and is currently working collaboratively with other organizations on Substance Abuse Prevention with funding from Pretera Center, Inc. through a Substance Abuse Prevention and Treatment Block Grant to the WV DHHR, Bureau for Behavioral Health and Health Facilities, from the Substance Abuse and Mental Health Services Administration.

The meetings are typically held on the second Friday of each month at 12 Noon at a local restaurant. They are open to the community and each attendee is responsible for the purchase of their lunch. If you would like to get involved, we welcome your participation. Please call 304-414-4470 for more information.

You can report substance abuse related crimes/tips anonymously to law enforcement in Putnam County.
