

**If you saw the Putnam Wellness ad in the Kanawha-Putnam Ad Mailer on the Drug Take Back on April 30, 2011, please read the following:**

This is part of a National Prescription Drug Take Back Day coordinated by the United States Drug Enforcement Administration and local law enforcement.

There are many other locations across West Virginia in addition to the Winfield collection site. Please click your mouse on this link:

[http://www.deadiversion.usdoj.gov/drug\\_disposal/takeback/index.html](http://www.deadiversion.usdoj.gov/drug_disposal/takeback/index.html)

Then click on the link that says, **"Find a collection site near you"**. You will be able to type in your zip code and a mileage range. After you click submit, you will see if there are any other collection sites closer to you.

There are several collection sites in Kanawha County.

**Remember: Don't share prescription drugs. It's dangerous, it's illegal, and it can be deadly.**
